Conference Programme Available Now

The biennial International Malaysia Law Conference (“IMLC”), the flagship event of the Malaysian Bar, will be held from 10 to 13 July 2023 at Shangri-La Kuala Lumpur.

Themed “**Navigating the Present, Exploring the Future**”, IMLC 2023 is poised to address the concerns and hurdles legal practitioners face, with the determination to equip them for a rewarding future and to provide a vision for robust growth.

IMLC 2023 will span four days dedicated to three concurrent streams — Upgrading Skills, Equipping Lawyers, and Exploring Opportunities. For the first time, IMLC will be a hybrid conference — physical as well as online (only for breakout sessions) — to benefit as many people as possible and to allow more flexible participation locally and globally.

We are pleased to present the detailed **Conference Programme** (as at 22 June 2023), which is available [here](#) (see page 2 onwards).

Join us for relevant, informative and thought-provoking sessions at IMLC 2023, and engage with over 120 domestic and international panellists.

If you would like to attend **physically** (includes plenary and breakout sessions, lunches, and networking receptions), click [here](#). **Registrations close on 30 June 2023.**

If you would like to attend **virtually** (breakout sessions only), click [here](#). **Registrations close on 6 July 2023.**
