This year, the Tax Subcommittee of the Bar Council Corporate and Commercial Law Committee ("CCLC"), in collaboration with the Continuing Professional Development ("CPD") Department, will embark on a programme of creating and spreading awareness and knowledge among Members of the Bar about the excesses of the tax authorities and what taxpayers can do to challenge them. This initiative is intended to enable more Members to join the Tax Bar and challenge the Inland Revenue Board of Malaysia ("IRB"), Royal Malaysian Customs Department ("Customs"), Ministry of Finance, and Ministry of Investment, Trade and Industry, in defence of taxpayers' rights in appropriate cases.

Awareness of the rights of taxpayers as well as the legal processes and remedies available to redress any wrongs they might suffer, are critical in any civilised democracy, and essential in an activist Bar.

Members should attend this annual post-2024 Budget event, now in its fifth year. It will provide a unique opportunity for Members to interact with tax practitioners from the legal and accounting professions, and thereby enhance their awareness and capabilities.
