

The Inter-Pacific Bar Association invites you to a special webinar, via Zoom:

Future-Proofing Tech: Insights and Socials

• 5 November • 16:00-17:30 Tokyo •

The IPBA's Technology, Media and Telecommunications Committee is delighted to bring you an opportunity to learn about futuristic developments in the tech sector!

Session One of this webinar will explore features of the new Artificial Intelligence Act (Regulation (EU) 2024/1689) – a game-changer which may influence the regulatory landscape of AI even beyond Europe's borders. Session Two will then look into the future and explore the legal aspects of the use of digital twin technology.

This fascinating webinar will feature acclaimed speakers from Germany, India, the Philippines, Korea, Malaysia, Japan, America, Singapore and China, and conclude with 20-minutes of networking to encourage further ideas and future collaborations.
